- **Areas of Expertise:** Backend Development, Web Development

EDUCATION

Bachelor of Engineering in Computer Science and Engineering
Nehru Institute of Technology, Coimbatore
August 2020 – May 2024
CGPA: 7.52/10

Higher Secondary Education (12th Grade)
PMGHSS, Palakkad
June 2018 – March 2020
Percentage: 73%

Secondary School Leaving Certificate (SSLC)
St. Thomas CHSS, Palakkad
June 2017 – March 2018
Percentage: 95%

CERTIFICATIONS

- 100 Days of Code (Python Pro Bootcamp) – Udemy
- Generative AI & LLM Engineering – Udemy

- Certified Network Engineering – CISCO Networking Academy

PROJECTS

Task Management Application (Flask To-Do List)

- Developed a full-stack task management app using Flask, enabling users to add, edit, and delete tasks.
- Implemented CRUD operations with persistent local storage.
- Designed a simple, responsive front-end with HTML and CSS to enhance usability.

Cafes with Wi-Fi Web Application

- Built a web app to help users locate nearby cafes offering free Wi-Fi.
- Integrated Google Maps API to display locations and filter based on user preferences.
- Delivered a clean, intuitive UI for an improved user experience.

Professional Portfolio Website

- Created a personal portfolio site to showcase skills, projects, and achievements.
- Utilized HTML, CSS, and JavaScript to develop a responsive, user-friendly interface.
- Enabled potential employers and collaborators to easily access work samples and contact information.

ADDITIONAL INFORMATION

- Open to relocation and remote opportunities.
- Fluent in English and Malayalam.
